THE RONA ROSENBAUM

Living With Parkinson's

2026 SYMPOSIUM

What the Tech Can Help People with Parkinson's?

LIVING WITH PARKINSON'S

MAPS welcomes you to our **2026 Rona Rosenbaum Living with Parkinson's Symposium:**

What the Tech Can Help People with Parkinson's?

JOIN US for this exciting and informative event, featuring keynote speaker, **DR. PAUL FISHMAN**,

Clinical Professor of Neurology at the University School of Medicine. Dr. Fishman is listed in *Best Doctors in America*, is the former chair of the Parkinson's Disease review group for the VA Biomedical Research, a past chair of the University of Maryland Institutional Review Board, and a co-founder of the University's DBS and FUS programs.

ENJOY a **great lunch** and the convenience of **valet parking** while networking with like-minded individuals who understand the challenges and triumphs of **living with Parkinson's**. Attend multiple **breakout sessions**, all led by experts in their fields.

AND don't forget about our **Silent Auction**, featuring premium dining, spa experiences, and so much more! This will be both a fun and informative day!
